JUAREZ STABLE SUSPENDED

HORSES OWNED AND TRAINED BY D. FORD COME UNDER OFFICIAL BAN.

Inconsistent Running of Stable Assigned by Juarez Stewards as Basis for Action Taken-John Reardon Wins Day's Feature.

El Paso, Tex., March 7.—The Zaragosa handicap a mile dash for three-year-olds and over, was the chief feature of the better than ordinary card that was decided at Juarez this afternoon. As was to have been expected from the character of the offering, the patronage was of generous proportions and the racing thoroughly enjoyable. Climatic conditions continued ideal.

The handicap was contested by Bert Getty, John Reardon, Weyanoke. Cantem and Black-Eyed Susan, which last named filly has improved so greatly in racing here this winter that she was asked to concede weight to all the other starters, being the top weight of the race, with an impost of 115 pounds. She was unable to make the concessions demanded and finished umplaced. The race was won by the lightly-weighted John Reardon in a drive with Bert Getty after his jockey had mounted five pounds overweight. John Reardon had been racing indifferently of late and Bert Getty supplanted him as the betting favorite of the race in consequence.

Sidney Peters, neglected in the betting while

indifferently of late and Bert Getty supplanted him as the betting favorite of the race in consequence.

Sidney Peters, neglected in the betting while Lone Star received the bulk of the public support in the opening race, beat that well-backed favorite by nearly a length, leading all the way. The second race resulted in a nose victory for Thistle Belle, a long shot, with another outsider, Gray's Favorite second, a head before Butter Ball, the heavily supported favorite. Christmas Eve, after drifting back to an astonishingly liberal quotation, won the third race by a nose from Dalston, the odds-on choice.

Seneca was the fourth favorite of the day to run second. He was beaten a head in the fifth race by Gordon Russell. The latter, in a sensational stretch sprint, came from far back with a rush. The closing race brought the breakdown of Denmark, whose four straight victories in the colors of J. W. Pinkham, following his purchase for \$100 not long ago, has been a notable feature of recent racing here. Denmark ruled an even money favorite today and went wrong in the early part of the race. Blue-Beard, the winner, was a receding second choice.

Stewards W. H. Shelley, H. F. Breivogel and J. T. Ireland issued a ruling today that because of their unsatisfactory running, horses owned and trained by D. Ford were indefinitely suspended. The horses owned by Ford include Sir Alvescot, Vested Rights, Redpath, High Street and Belle of Bryn Mawr. The inconsistent running of the Ford horses thed up to the ruling. It is alleged by the stewards that they have had the faculty of winning when heavily backed and running dull races when no support appeared for them. Jockey Eddie Taplin, who has been doing most of the riding for the remainder of the meeting for general unsatisfactory riding.

The program for tomorrow is an extra good one and a bumper attendance is looked for. The \$1,500 Dos Republicas Handicap, seven-eighths of a mile, is the top liner, with the Culiacan Handicap, five and a half furlongs, and a half mile dash for two-year-olds, as secondary features. Jefferson Livingston's Iron Mask has been assigned the remarkable impost of 150 pounds for the Culiacan Handicap. J. F. Newman & Son's fleet filly, Pan Zareta, is top weight in the stake race with 130 pounds.

THIRTY LEADING MONEY-WINNING HORSES OF 1914

Because of having won the Palmetto Derby and the St. Valentine's Day Handicap at Charleston the erdinary three-year-old, Ivan Gardner, is at the head of the list of best money-winning horses of 1914. Two other Charleston horses, Republican and Pardner, are second and third in the list. Belle of Bryn Mawr brings up in fourth place as the chief money winner at Juarez and in order to win that measure of prominence had to win more races than any other horse in the list. She has seven well-carned victories to het credit. The much improved Ancon is second to her in races won, having taken six. Black-Eyed Susan and Florin come next with five each. Two-year-olds earning a place in the list are Blue Racer with three races won, Sir Edgar with three and La Patrie with two. From appearances the winter tracks have not been graced this year with the debut of any two-year-old like Old Rosebud in 1913 and Hawthorn in 1912. Hachmeister.

Dr. C. Cann has gelded for R. Ripley the four-year-old Forge and that horse will be turned out until summer. Then he will be campaigned on far western tracks, unless his owner concludes to go to Kentucky this spring with Trulane, Maznik, Va-Va and other members of his stable. Dr. Cann, who has been here all winter, has returned home to Kentucky, having been called there to do some pressional work for the stable of J. N. Camden and other important stables in training at Lexington and Louisville. He will serve as usual this senson as paddock judge at Churchill Downs, Douglas Park and Latonia.

At the recent paddock sale when a powerful property of the senson and the recent paddock sale when a powerful property of the senson and the recent paddock sale when a powerful property of the senson and the recent paddock sale when a powerful property of the prope

Margaret Lowry and a couple of two-year-olds, Bagatelle and Category, to take back with him to Kentucky this spring. He brought fifteen horses herefrom Kentucky last fall.

Jockey A. Neylon, who leads the jockeys here, makes a practice of sending to his mother at Portland, Ore., all the money he earns for riding horses for owners other than his contract employer every week during the Juarez meeting. Judge W. H. Shelley has regularly mailed to the little jockey's mother a check for the amount accruing from such service each Tuesday. At times the boy's income for a week's work on outside mounts comes to a tidy sum, but no matter how big the amount is Mrs. Neylon gets a check for it all. Neylon, if his success continues as long as he is able to ride at fairly light weights, is sure to make a fortune in his profession, as he is of a build that will enable him to keep down to a light riding scale for half a dozen years at least, J. W. Pinkham, who has had remarkable success at the Juarez course with his \$100 purchase, Denmark, was also fortunate in securing his speedy mare Herpes when she was a three-year-old for \$340. Herpes was bred by Mrs. L. A. Livingston, whose mares Sotemia and Pandorina won in successive scasons the four-mile Kentucky Endurance Stakes. It does not often occur that a horseman for an outlay of only \$440 can secure two such bargains as Pinkham picked up when he bought Herpes and Denmark. The latter gelding has won four of his starts at the Mexican course since Pinkham bought him. Herpes has also done considerable good racing here this winter for Pinkham, and wita the aid of Denmark has put the Michigan turfman on easy street, if reports are to be believed.

A late arrival at the Juarez course is J. A. Schas, from Oregon, with the six-year-old gelding Kemhome, a son of Homestead and Kemnay, by Kitchener. This horse was once broken to harness, but after he had been put in training defeated all the horses that opposed him at minor meetings in Oregon, so Schas concluded to give him a chance here. He

as good a farm for breeding thoroughbred horse as there is in Oregon.

Jockey E. Taplin will ride out the meeting, here, as his engagement this season with H. G. Bed well does not begin until the Jamestown, Va. meeting opens on April 1. Taplin rode success fully for Bedwell for several seasons and was connected with that turfman in 1909, a year in which he rode in 151 winning races and was fourth in the list of winning jockeys. Each year since he has stood well up in the list of successful riders and at the Juarez course this winter has been riding in his best form. He will likely be able to begin riding for Bedwell in Virginia this season as light as 105 pounds, and will undoubtedly give a good account of himself this year throughout, if there is racing merit in the mounts he secures on the tracks where Bedwell races his horses.

NOTES OF THE TURF.

Nat Ray, who recently underwent an operation for appendicitis at Toronto, is progressing well towards recovery.

The coming marriage, at Maisons-Laffitte, France is announced of jockey Vincent Powers with Mile. Augustine Franke.

PURSE FOR ROYAL METEOR

HYAMS RACER REGAINS HIS GOOD FORM AND SCORES AT CHARLESTON.

Failure to Get Clearance Papers for His Stable Enables J. Todd to Win a Purse with a Lately Bought Horse.

Charleston, S. C., March 7.—Showing a return of his good form, Royal Meteor won the feature race at Palmetto Park this afternoon in decisive style from Feather Duster and Effendl. The winner was extensively supported, though displaced in favoritism by Feather Duster. The latter, carrying top weight, essayed to keep pace with the winner in the early stages and flattered his supporters until the last furlong, where Teahan, his rider, gave up before his mount did, enabling Royal Meteor to handly draw out to win by a couple of lengths. Effendi just outstayed Volthorpe for third money. Volthorpe came out of the race badly cut about the heels as a result of having been jumped on during the race.

Cloudy weather and bad track conditions detracted considerably from the sport, but a fairly large crowd witnessed the racing. Betting was of brisk volume with most of the winners accorded sharp support. Only two favorites scored, but the eleven layers wound up the afternoon's business with a deficit.

The greatest disappointment of the day came

support. Only two favorites scored, but the eleven layers wound up the afternoon's business with a deficit.

The greatest disappointment of the day came when Font just failed to get up to beat Barium. The latter had been purchased yesterday by J. Todd and was intended for immediate shipment to Caracas, Venezuela, but the failure of his new owner to get clearing papers necessitated the unloading of the horses, hence his subsequent start and victory. The consignment intended for shipment was released immediately after the horse's victory, as it established that nothing ailed them. The smart set put over a good one in the closing dash when Snellbound cantered home in advance of his opponents and won from Servicence. The latter also showed improvement and developed unexpectedly strong support in a betting way.

After Royal Meteor's victory in the handicap, he was bid up from an entered price of \$1,000 to \$1,305 and retained. J. W. Hedrick, owner of Feather Duster, did the bidding.

Tom Brown, owner of Coppertown, Splitit and other horses will leave tomorrow for Lexington, where he will go in quest of several likely two-year-olds that he intends to purchase. He will also arrange to mate his broodmare, Melissa, with McGee. During his absence A. G. Blakeley will look after the management of jockey F. Murphy, Charlie Ellison, acting for J. W. Schorr, is dickering for the contract held by Brown on Murphy's services.

H. B. Gorin was an arrival from Kentucky this morning. He made his presence felt by bidding up Queed \$200 and securing the horse on his bid of \$500. Queed has been schooled over the jumps here all winter and is said to be a promising fencer.

Jockey McTaggart was unable to get within the weight limit for Dally Waters in the first race and the filly was excused from starting by the stewards. Betting on the race had been going on for about five minutes and the withdrawal of the filly meant that all bets had to be declared off and twenty minutes allowed for a mew booking.

NOTES OF THE TURF IN OTHER LANDS.

M. Aumont's crack, Nimbus, has passed a good winter and is doing regular work.

Mr. J. Linker has sold Buckwheat as a stallion and the son of Tarquin and Bindweed has been sent to Russia.

Medcalfe's stable will have first claim on the services of the promising jockey H. Robbins during the coming flat racing season.

M. de Saint-Alary's two-year-old Basilea, by Flying Fox or Ajax—Byzance, has been sent to Newmarket, where he will be trained by Gilpin for racing in England.

M. J. de Bremond has sent his two broodmares. Karamande and La Marsaudiere, to England. The former will be presented to Mushroom and the latter to Willonyx.

Nephte, the dam of Nimbus and Nuage, has ju fooled a handsome chestnut colt by the famo Victor stallion, Elf. This promising youngster as far as pedigree goes—has been given the name Sirrus.

HTUS.

The noted steeplechaser Irish Mail was scratched from the Liverpool Grand National on February IS in account of lameness. This leaves only Coverfeoat o represent Sir C. Assheton-Smith in the big race. It was the winner last year and Irish Mail was

second.

Inclusive of the sums won in stakes at Auteuil on Sunday, the positions of the three leading owners of jumpers in France since the commencement of the year to February 22 are as follows: M. Charles Lienart, 204.255 francs; M. James Hennessy, 117,885 francs; M. A. Veil-Picard, 98,020 francs.

According to the Buenos Ayres El Jockey Cyllene finished at the head of the list of winning stallions of 1913 in Argentine with a total of \$457.293, or nearly \$14,000 in front of his nearest rival, Old Man. Third came Jardy with over \$433,000 and Diamond Jubilee a moderate fourth with \$349,500. Orange (\$217,850) was fifth and Polar Star (\$196,200) sixth.

King George's Grand National Steeplechase caudidate, Twelfth Lancer, fell at the water jump at the Kempton Park February meeting in his first race of the year, but was not injured. He had fourteen pounds more than he will have to carry in the big race and was evidently a long way from being ready for a hard effort, so the accident was held to have no bearing on his Grand National prospects.

The following broodmares have arrived at the Haras de Villebon, to be mated to Rock Sand: Mr. H. Payne Whitney's Tanya, M. Ed. Kahn's Miramar, the King of Wurtemberg's Tannsticker, Messrs Clarence Mackay and Charles Carroll's Audience, Colonel W. Birkin's Seadune and Needlepoint, M. Cheri R. Halbronn's Verge d'Or, and M. Marcel Holtzer's Bethanie.

Mushroom, judging from the good looks of his first foal, is evidently going to make good at the stud. The foal in question is a beautiful colt, and takes after his sire in color, being a good brown. He is out of Amazon (dam of that smart filly Miss Issippi). Breeders in France are greatly impressed by the stud prospects of Mushroom, and among those that have taken subscriptions to the son of Common-Quick are the Vicomte de Fontarce and Messieurs Deschamps, De Monbel, De Bremond, Bedout, and De St. Alary.

NOTICE-Mr. Horse Player:

NOTICE—Mr. Horse Player:

When you do business with me it is like buying direct from the manufacturer. I am the only man advertising in this paper that sends information direct from the Juarez track, and the only man personally on the ground. The horse I wire you is fit and the stable money will be bet. No guessing for your money. The opportunities I am giving you could not be obtained by you personally for any sum of money. Have a clocker of your own. You can employ me for \$10 for the balance of this meeting, which is 15 days. Telegraph remittance, or remit by express order. I wire ONE or TWO horses daily at 10 a, m.
